1. He Made It All

Are you ready?
Yeah!
Who made it all?
GOD DID!

Who made the mountains tall and strong?
Who made birds so solid strong?
Who taught the little birds their song?
Who hung the stars up way up high?
God did!
God did!
That's the reason why!

He said, "Let there be!"
And it came alive—
Word by word, the whole world shined!

He made it all! (HEY!)

He made it all! (HEY!)
Big and small!

Big and small!
He spoke the word—BOOM!

It came to be!
Our God is King over everything!(Clap! Clap!)
He made it—

He made it—
He made it ALL!

Who made the oceans deep and wide?
Who made the sun so warm and bright?
Who made the flowers, trees, and you?
God did!

God did!

And it's all good—woo!

He made it all! (Reach up!)
He made it all! (Touch the ground!)
Big and small! (Stretch wide!)
Big and small! (Curl up!)
He spoke the word—BOOM!

It came to be!
Our God is King over everything!(Clap! Clap!)
He made it—

He made it—
He made it ALL!

Who's the King?
GOD IS KING!
Over what?
EVERYTHING!

By His word!

By His hand!
He made the world—just like He planned!
HEY! HEY!

He made it all! (Shout it!)
He made it all! (Sing it!)
Big and small!

Big and small!
He spoke the word—BOOM!

It came to be!
Our God is King over everything! (Clap! Clap!)

He made it all!
HE MADE IT ALL!

2. Made Like Him

Listen up—
This is who we are!

God made the world and everything
Sky so big, hear the angels sing
But then He made something brand new
He made me, He made you

Not a mistake, not by chance
Every life part of His plan

We're made like Him! (HEY!)
Made like Him! (HEY!)
Not by accident—it's His plan
We know His love, we show His light
Made like Him—and it's just so right

(Stomp! Stomp!)
Made—Made like Him!

We can love and think and choose
Walk with God, we've got good news
Made to shine and reflect His face
Living life by His grace

We're made like Him! (HEY!)
Made like Him! (HEY!)
Not by accident—it's His plan
We know His love, we show His light
Made like Him—and it's just so right

(Stomp! Stomp!)
Made—Made like Him!

Image of God!
That's who we are!

Made for His glory!
Near and far!

Made! Like! Him!
Made! Like! Him!

We're made like Him! (HEY!)
Made like Him! (HEY!)
Chosen, loved, part of His plan
We know His love, we show His light
Made like Him—yeah, that's our life
MADE—LIKE—HIM!

3. We Broke It All

God made a world that was good and bright
We were made to trust Him, walk in His light
But we said "No," we chose our own way
We turned from God—we didn't obey

We wanted to lead, we wanted control
But sin broke our world—and it hurt our souls

We broke it all… we broke it all…
We turned away, yeah, we chose to fall
Sin came in, and things went wrong
We broke it all—and the hurt lasts long
We broke it all…

Now there's sadness, pain, and fear
Broken hearts and lots of tears
Fighting, sickness, wrong and right
Nothing's the same—it's not how it's supposed to be

We broke it all… we broke it all…
We turned away, yeah, we chose to fall
Sin came in, and things went wrong
We broke it all—and the hurt lasts long
We broke it all…

Every person, big and small
Me and you—we're all born wrong
We can't fix this on our own
We need help to bring us home

We broke it all… we broke it all…
We turned away, yeah, we chose to fall
But listen close—this isn't the end…
God has a plan…
God wants to mend…
We broke it all…
(But God didn't leave us.)

There's good news coming…

4. He Didn't Walk Away

When we ran…
God stayed

When we broke the world we knew
When our hearts were scared and blue
God didn't turn, God didn't hide
He came close and stayed beside

Even when we walked away
God still loved us—every day

He didn't walk away—no, no!
He didn't leave us all alone!
God made a promise, strong and true:
"I'm gonna send a Rescuer for you!"
He didn't walk away—oh no!
His love was bigger than our wrong!
From the very start, He had a plan—
God said, "I'll fix it. Yes, I can!"

In the dark, God lit a light
Spoke of hope into the night
Through His Word and promises
He said, “My love won’t ever miss.”

Even when we walked away
God still loved us—every day

He didn’t walk away—no, no!
He didn’t leave us all alone!
God made a promise, strong and true:
“I’m gonna send a Rescuer for you!”
He didn’t walk away—oh no!
His love was bigger than our wrong!
From the very start, He had a plan—
God said, “I’ll fix it. Yes, I can!”

Who stayed with us?
GOD DID!
Who still loves us?
GOD DOES!

Grace so big! Love so strong!
God was faithful all along!

He didn’t walk away—no, no!
He didn’t leave us all alone!
God kept His promise, strong and true:
“I’m gonna send a Rescuer for you!”
He didn’t walk away—oh no!
His love is bigger than our wrong!
Get ready now—the hope is near…
The Savior’s coming—don’t you fear!

His name is coming…

5. We Need a Hero

We're stuck in sin, we can't get free
We need a rescue—can't you see?
We try so hard, we do our best
But we still fail every test

We need a Hero! We need a Hero!
Someone to save us, we can't do it solo!
We can't fix our broken hearts
We need a Hero to give us a new start
We need a Hero!

We can't be good enough to win
We can't erase our guilty sin
Who can help us? Who can save?
Who has the power to rescue and raise?

We need a Hero! We need a Hero!
Someone to save us, we can't do it solo!
We can't fix our broken hearts
We need a Hero to give us a new start
We need a Hero!

Can we save ourselves?
No, no, no!
Do we need God's help?
Yes, yes, yes!
Who can rescue us?
Only God!
We need a Hero—and He is good!

We need a Hero! We need a Hero!
Someone to save us, we can't do it solo!
We can't fix our broken hearts
We need a Hero to give us a new start
We need a Hero!

6. Jesus Is the One

Who saved us?
JESUS!
Who won?
JESUS!
JESUS IS THE ONE!

God saw our sin—we couldn't hide
We broke His law—our hearts were wrong inside
But God had planned before all time
To send His Son to save His own—
That's right!

Not our work, not what we've done
This is God's gift—His perfect Son

Jesus is the One! (HEY!)
Jesus is the One! (HEY!)
God's perfect, precious, only Son!
He lived the life we could not live
He took our place—now we're forgiven!
Jesus! Jesus!
JESUS IS THE ONE!

Every step He walked God's way
He loved and obeyed—every day!
God's good law—He kept it right
His goodness covers me in light

Jesus is the One!
Jesus is the One!
God's perfect, precious, only Son!
He lived the life we could not live
He took our place—now we're forgiven!
Jesus! Jesus!
JESUS IS THE ONE!

On the cross He took my place
Drank the cup and showed God's grace
"It is finished!"—the work was done
The battle won by God's own Son

He's alive!
HE'S ALIVE!
Death is beat!
DEATH IS BEAT!
Who's our substitute?
JESUS!
Empty tomb! Risen King!
Jesus rules over everything!

Jesus is the One! (HEY!)
Jesus is the One! (HEY!)
God's perfect, precious, only Son!
He lived the life we could not live
He took our place—now we're forgiven!
Jesus! Jesus!
JESUS IS THE ONE!

He's our Savior! (HE IS!)
He's our King! (THAT'S RIGHT!)
Everybody sing it loud—
JESUS IS THE ONE! (HEY!)

7. Grace, Grace, Grace

Can you earn it?
NO!
Can you buy it?
NO!
It's GRACE! GRACE! GRACE!

I can't be good enough to win
God's love is more than trying hard to fit in
I can't climb up, I can't pay the cost
But Jesus came to save the lost

Not my works, not what I do
God's love is a gift, strong and true

Grace! Grace! Grace! (HEY!)
It's all by grace! (HEY!)
Not what I do—
It's His embrace!
Jesus paid it all for me
Grace! Grace! Grace!
I'm saved and free!
GRACE! GRACE! GRACE!

Even my faith was God's good plan
He opened my eyes so I could understand
I trust in Jesus, not in me
His grace alone is all I need

Grace! Grace! Grace! (Clap! Clap!)
It's all by grace! (Jump! Jump!)
Not what I do—
It's His embrace!
Jesus paid it all for me
Grace! Grace! Grace!
I'm saved and free!
GRACE! GRACE! GRACE!

From start to end, it's God's great plan
He held my life right in His hand
He chose to love me, changed my heart
His grace was there right from the start

Not by works!
ALL BY GRACE!

Who gets praise?
GOD ALONE!

Grace alone! Christ alone!
Faith alone! God's glory shown!
Grace alone! Christ alone!
God gets glory—HIM ALONE!

Grace! Grace! Grace! (HEY!)
It's all by grace! (HEY!)
Not what I do—
It's His embrace!
Jesus paid it all for me
Grace! Grace! Grace!
I'm saved and free!
GRACE! GRACE! GRACE!

All the glory goes to God!
From start to end—it's grace, oh wow!
Thank You, Jesus!
GRACE! GRACE! GRACE!

I was dead in all my sin
But God made me alive within
The Spirit gave me a brand new heart
I'm born again—a brand new start

I'm brand new! I'm brand new!
God made me His child through and through!
United to Christ, His righteousness mine
I'm brand new—washed clean, I shine!
I'm brand new!

I’m adopted, sealed, and sure
God’s own child forevermore
He chose me, called me by His grace
Now I see my Father’s face

God made me His child through and through!
United to Christ, His righteousness mine
I’m brand new—washed clean, I shine!

9. Follow Every Day

Jesus saved me, now I'm free
He says, "Take up your cross and follow Me!"
Not to earn it, it's already done
But because I love God's precious Son

Follow every day! Follow every day!
The Spirit helps me walk His way!
When I stumble, I don't hide
I run to Jesus—He's my guide!
Follow every day!

I'm still fighting sin inside
But the Spirit's with me as my guide
I kill my sin, I flee what's wrong
Jesus makes me brave and strong

Follow every day! Follow every day!
The Spirit helps me walk His way!
When I stumble, I don't hide
I run to Jesus—He's my guide!
Follow every day!

When I fall, I don't pretend
I confess my sin and turn again
Jesus' blood has set me free
His grace is strong enough for me

Follow every day! Follow every day!
The Spirit helps me walk His way!
When I stumble, I don't hide
I run to Jesus—He's my guide!
Follow every day!

Why do we obey?
Because we're loved!
Who gives us strength?
The Spirit above!
When you sin, what do you do?
Repent and trust in Jesus too!
Can we do this on our own?
No! We need the Spirit's power alone!
We follow Jesus every day—
Not to be saved, but 'cause we're saved this way!

Follow every day! Follow every day!
The Spirit helps me walk His way!
When I stumble, I don't hide

10. He Won't Let Go

When I'm scared or feeling weak
When I stumble, when I'm beat
God is with me, holding tight
His grip is strong, His love is light

He won't let go! He won't let go!
His power keeps me safe, I know!
He keeps His covenant every day
He won't let go—I'm here to stay
He won't let go!

Nothing can snatch me from His hand
Not my sin or Satan's plan
Jesus bought me, paid the price
I'm sealed forever—His sacrifice

He won't let go! He won't let go!
His power keeps me safe, I know!
He keeps His covenant every day
He won't let go—I'm here to stay
He won't let go!

Even when I fail and fall
Jesus intercedes through all
The Spirit guards me night and day
God began this work—He'll finish the way

His power keeps me safe, I know!
He keeps His covenant every day

He won't let go—I'm here to stay
He won't let go!

His promises will never fail
He's my Father, I'm His child

Nothing separates from His love

Not death, not life, not angels' schemes
Not any power, not any dreams
Not height, not depth, not anything
Can separate me from my King

He won't let go! He won't let go!
